*Accredited firm for DSA
Diagnosis and Certification*

Psychology Studio Charlie Brown

Health officer:

Dr. Astrella Cascino

It is a professional practice for the diagnosis-certification SLDs (Specific Learning Disorders) and the implementation of individualized reeducational projects, with a total takeover of the child and his or her family, complementing and integrating the paths related to Developmental Age Disorders, both from the neuropsychiatric, psychological and speech therapy points of view.

We work in various fields, from counseling, diagnosis, reeducational therapy and homework support.

The studio is accredited for the diagnosis and certification of DSA

Services provided by the Studio

- Multidisciplinary Neuropsychological Assessment (psychologist, child neuropsychiatrist, speech therapist).
- Neurocognitive treatment of:
 - Specific learning disorders
 - Attention deficit hyperactivity disorder
 - Specific Language Disorder
 - Cognitive Deficits and other Developmental Age Disorders
- Targeted task support interventions
- Psychological counseling
- Training courses on SLDs
- Projects aimed at school
- Programming of computer workshops

Studio specializing in *Integrated Cognitive Training* for attention disorders.

Everyone is a genius.

But if you judge a fish by his ability to climb trees he will spend his whole life thinking he is stupid.

Albert Einstein
